

Dear Hiring Manager,

I am writing to express my enthusiastic interest in the Software Engineer Internship position at Microsoft, as advertised. With a strong academic background in computer science and significant experience in software development, I am excited about the opportunity to contribute to your team and embark on a journey of innovation and growth.

Microsoft has long been an emblem of technological innovation and societal impact. I am deeply inspired by the company's mission to empower every person and every organization on the planet to achieve more. The culture of continuous learning, collaboration, and diversity at Microsoft resonates with my personal values and career aspirations. I am eager to join a company that fosters creativity, embraces challenges, and drives positive change on a global scale.

I am particularly drawn to the Software Engineer Internship position at Microsoft because it offers a unique opportunity to work on real-world projects, collaborate with diverse teams, and make meaningful contributions to cutting-edge technology. As a passionate software engineer, I am committed to delivering high-quality solutions that address customer needs and drive business success. I am excited about the prospect of applying my technical skills, creative thinking, and problem-solving abilities to solve complex challenges and create impactful software solutions at Microsoft.

During my tenure as a Software Engineer at Tata Consultancy Services, I have gained valuable experience in software development, project management, and client collaboration. I have successfully led cross-functional teams, delivered innovative solutions, and contributed to the growth and success of key projects. I am confident that my experience, skills, and passion for technology make me a strong candidate for the Software Engineer Internship position at Microsoft.

Enclosed is my resume for your review. I am excited about the opportunity to discuss how my background, skills, and enthusiasm align with the goals of your team. Thank you for considering my application. I look forward to the possibility of contributing to Microsoft's mission of empowering every person and organization to achieve more.

Warm regards,

Sourav Shrikant Shetye
